MEMORANDUM FOR THE RECORD

SUBJECT: Task Force for Reorganization

At the meeting of 16 April 1973, the following points were agreed upon:

A. We would hold daily meetings because of the relatively short deadline.

B. All members will prepare organizational charts and discussion paper reflecting the rationale for proposed changes.

C. We will not attack the "slot cut" problem until the organizational structure has been resolved.

D. There were some preliminary discussions concerning reorganization within DD/PTOS, but the Task Force will take a fresh look at the problem, within the framework of the overall structure.

E. C/A&TS will provide copies of pertinent documents on earlier studies.

25X9 F. Our present projection is for [REDACTED] personnel by the end of FY 1974. We will not have to aim for a TO of [REDACTED] by FY 1974.

G. There was some discussion of the advantage of having a large number of Divisions, but eliminate the "Assistant Deputy Directors." Another view considered the name change exercise--to "Operations Officer."
